QUALITY POLICY

The management of Dong Fang Offshore Co., Ltd. endeavours to earn the confidence of the ship-owners, charterers, seafarers and the marine industry and be recognized as a high quality, trustworthy and dependable international ship owner/manager. This can only be achieved by providing flawless services that satisfy all relevant requirements. DFO Ltd. shall always provide professional ship management services to owners and charterers, protect their interests and assets under its care, and fulfil all their expectations.

The Company is committed to always comply with all applicable legal and other requirements that relate to the pertinent hazards and to continually improve the effectiveness of its QMS. The Company adopts a proactive approach concerning the needs of its clients and is responsive to their requests, suggestions or complaints, always trying to improve the value of its services. The Company encourages employee/sub-contractor teamwork, personal improvement, cooperation, innovative thinking, initiative, leadership, decisiveness and focus on client's needs and satisfaction.

The Company sets measurable and meaningful HSQE objectives and targets and reviews them when appropriate. In order to objectively assess its performance, the Company:

- Establishes criteria for the quality of its services.
- Monitors, measures and analyses its objectives and targets.
- Reviews its objectives and targets for continual suitability to verify that processes are effectively implemented.

The QMS defines the methods used to achieve its Policies and the associated objectives and targets. Its implementation ensures that all applicable requirements related to managing its own ships and those of its clients will be satisfied, thus providing the necessary confidence between the Company and its customers.

The Company's management considers the QMS as the basic tool for providing consistent and effective ship management services with a view to continuous improvement by providing sufficient resources and regular reviews to ensure its continuous suitability and effectiveness. The management commits itself in active implementation of the QMS and requires all involved personnel to do the same.

Every suggestion for improvement will be given full attention and will be brought to the highest level of the management.

All Company employees/sub-contractors are expected to comply with this policy and work towards achieving the Company's objectives. The success of the Company depends on the commitment and involvement of each individual employee/sub-contractor.

This policy is continuously reviewed for its continuing suitability as well as in the Management Reviews and is available to the public and the Company's customers, vendors and suppliers.
